The bride was attired in white silk mulle, over white silk, and carried white bridal roses. The bridesmaid was dressed in white satin and carried pink roses. ## DIED IN A TRENCH.

**Lewis Salvatore Smothered by Sand While at Work.**

Lewis Salvatore, a brother of Rocco Salvatore, the Dunmore man who was murdered one year ago, met an equally tragic death at 10:30 o'clock yesterday morning by being smothered in a sewer trench near the corner of Glen street and Sanderson avenue. The body was buried under eight feet of sand.

Salvatore was at work in the ditch with his pick and shovel when the sand caved in and he was buried from sight. Michael Barbetti, who was at work a few feet away, was first directed to the spot. All effort was at first directed to dig him out, but he was suffering intensely from the pressure. After he was extricated a gang of workmen set to work excavating for Salvatore and it was an hour afterward before the body was uncovered.

The man, as expected, was dead. Corner Longstreet arrived and empaneled as jurors on the case: Patrick Cusick, C. J. Nichol, Daniel Kearney, Henry Shellhase, George Fenderton and Dr. E. M. Pennycuik.

The jury will meet to take evidence Monday evening at 8 o'clock. The trench was twelve feet deep and apparently few precautionary measures were taken to prevent a cave.

**Money Is for Flowers.**

Editor of The Tribune.

Mr. H. C. Washington and F. R. Brown are soliciting money with which to purchase flowers out of respect to the late Edward Thomas Whiteing and not to pay funeral expenses. Any report about two colored men soliciting for funeral expenses is false and I am glad to correct the same. I am, A. A. Grant, Pastor of the Howard Place A. M. E. Church.

[Under this heading short letters of interest will be published when convenient, for publication, by the writer's name. The Tribune will not be held responsible for opinions here expressed.]

## OBITUARY.

The death of Martin Langan, one of the oldest settlers of Pittston township, occurred on Wednesday at the residence of his daughter, Mrs. William Gillespie, of Avoca. Mr. Langan although well advanced in years was quite active and enjoyed excellent health. He possessed a jovial disposition and all who came in contact with him enjoyed his companionship. During the past few days he was unable to be about but his death was not unexpected. The funeral will take place on Saturday morning. Requiem mass will be celebrated in St. Mary's church. Interment will be in St. Mary's cemetery.

Bert, the 7-year-old son of Mrs. Alger, of Avoca, died yesterday morning after a brief illness of blood-poisoning. Several weeks ago he went in swimming and having a slight cut on the knee it is supposed that sulphur water entered the system. The little sufferer bore his ailment with patience, but medical aid could not alleviate his condition. He was the only boy among his small sisters. The father of the children was killed in the Avoca colliery a few years ago. The funeral will take place on Sunday afternoon. Interment will be in Langloffe cemetery.

Mrs. David A. Lewis, of Hakeley, died yesterday morning at the Lackawanna hospital, where she had been taken one week ago in hopes of being restored to health. She survived by her husband and four children. The funeral will take place tomorrow afternoon at 2:30 o'clock. Interment will be made in Ridge cemetery.

Miss Bridget Murray died Wednesday morning at the home of her brother, John Murray, of McDonough avenue, after a brief illness. Watkins and Luther Keller; arrangements, Revs. T. E. Jepson, A. R. O'neal and A. B. Clay; Keystone academy, W. J. Gurst, T. E. Jepson, J. S. Thomas, William Chappel, Rev. Dr. J. K. Dixon closed the morning session with a report on Keystone academy.

The committee on next session made the following report at the afternoon session: Meeting place, Clifford, commencing second Wednesday in September. Introductory sermon, by Rev. E. Mathew; doctrinal sermon, by Rev. A. B. O'neal. The historical sketch to be presented by the Jackson street church. A motion was then made and carried that a rising vote of thanks be extended to the citizens of Eckville for their hospitality to the delegates.

Professor Evans, of Crozier Theological college, delivered an address urging the Baptists to send their students to Crozier and not to colleges out of the state.

## PROF. HULLY'S TALK.

This address was followed by one by Professor Hulley, of Keystone academy. He also urged the necessity of sending students to denominational institutions in the state. Rev. Jepson conducted the closing services which were very touching. The services followed the report of the obituary committee, who reported 46 deaths during the year.

As the years have rolled onward the Abington association instead of decaying, is steadily going forward to a magnificent future which will eclipse the past. This has been fully attested by the meetings of the past three days. The church edifice has been crowded at every session. The enthusiastic characteristics of the association has pervaded all the meetings.

## WHAT DO THE CHILDREN DRINK?

Don't give them tea or coffee. Have you tried the new food drink called Grain-O? It is delicious and nourishing and takes the place of coffee. The more Grain-O you give the children the more health you distribute through their systems. Grain-O is made of the finest grains and is prepared in a taste like the choice grades of coffee but costs about 1/3 as much. All grocers sell it 10c and 25c.

**One Needs a Change, But**

the whole trouble hangs on that "But." Summer still lingers with us, although it is cool nights and mornings, and the calendar tells us that Autumn has come. The truth is, it is between seasons; it is neither summer or fall, but that uncertain period of the year when the weather may be anything from sizzling, oppressive heat to cool, crisp and bracing. It is the time when one can no longer trust safely to summer apparel, nor can they comfortably adopt the heavier raiment that comes with the fall.

**This is the Experience of Every Woman**

these days, and while we can supply your every need for fall wear now, we think that those who feel they need

**For the Bicycle**

the light zephyr materials that have proved so comfortable throughout the summer must now be discarded mornings and evenings by wheelwomen.

The materials include light and medium weight flannels, Scotch Tweed mixtures, new canvases clothes, etc., and as we have an idea that a large trade will be done in these fall, we have determined to popularize these Bicycle Suits by offering prices for this week and Monday next that will not be repeated when the season fairly opens up.

**Separate Dress Skirts**
